

# Design, Composition, Color And Technique Outdoor Workshop

**Catherine Gill**

[www.catherinegill.com](http://www.catherinegill.com)

June 5 - 6, 2010

Saturday and Sunday 9 AM- 4 PM

Fall City, WA

## Workshop

This two-day workshop is open to intermediate painters working in any media. Demonstrations will be in water base media. You will work on location at two farms located in Fall City WA. The focus will be on learning to interpret the landscape in terms of a simplified and strong composition, learning to edit, to combine, and see patterns and connections.

You will be shown techniques useful to paint in the outdoors in a limited time and changing environment. Cathe will explore ways with you to use the local color of a particular place and to organize it into a manageable color scheme. Cathe will discuss the "nitty gritty" of working on site and techniques for working in the hot, the cold, the snow, the wet, and whatever.

## Details of workshop:

Cost: \$175.00

Limited space: 12 artists

Full payment reserves your place.

Make your check payable to Fall City Arts and send to:  
Fall City Arts, Attn: Jennifer Vierling  
PO Box 446  
Fall City WA 98024

**Location:** Jubilee Farms, June 5th 9am to 4pm  
Fall City Farms, June 6th 9am to 4pm  
(a voluntary group critique session immediately following at the Roadhouse and Inn Restaurant)

For those that would like to make it a weekend getaway, the Fall City Inn has generously offered a 10% discount off the entire stay for any artist staying for both nights of the workshop (Friday and Saturday). Please see [www.fallcityinn.com](http://www.fallcityinn.com) for information or call 425.222.4040.

Please visit the artist's website at <http://www.catherinegill.com> for a suggested supply list and further information about the artist.
